Broad Rock Middle School 2016 - 2017 Student Learning Styles Form

Students are placed with teachers (grade 5) or on teams (grade 6) based on several pieces of data which include your child's academic achievement in the previous grade and STAR scores. If you would like to share information regarding your child's learning style to be considered for placement, please provide that information below.

This information will be taken into consideration, however, specific teacher/team placement cannot be guaranteed. Team requests such as "I want my child to have team Ruby" or "I want my child placed with teacher _____." will not be accepted.

However, information such as "My child learns best through hands-on experiences" will help us make final teaming decisions.
